**Priorities:** Enter priority number starting with 1, for each item(or multiple) you want in space on left.

Most people start out 1-Dinner Plate, 2-Sandwich Plate, 3 - Soup Bowl, etc..

**Color:** Fill in color for each item or set: IRIS/WHITE, IRIS/JADE, GRAY, TEAL, FIREBRICK, SAND, ONYX

**How Many:** Quantity goes on right in HOW MANY section. You can to add a 2nd additional quantity in the Round 2 column. This allows you to list the basic dinner place settings that you want, but to add more place settings after you get your important serving pieces.

Round 2 additions will be listed on your web page at the bottom of the priority list, after all the Round 1's. Example:

Round 1) 6 Dinner Plates, Round 2) 4 Dinner Plates. This gives you 6 plates to start and then after your list of serving pieces is complete, you get 4 more Dinner Plates.
